

Update to NEW Pistol Range rules as of August 1, 2020:

Pistol Ranges

These ranges are for use by CF&G members only - no guests! Hours are 8 am until dusk.

The center and south bays are for handgun and pistol caliber carbines only. Manually operated and semi-automatic are permitted, fully automatic is specifically prohibited. All shooting is to be from the concrete pads under the range cover. Muzzles are to be pointed downrange, and handling of firearms behind the firing line is prohibited.

"Pistols" and carbines firing bottleneck, high velocity cartridges are specifically EXCLUDED from these bays. No 5.56x45mm, 223, 7.62x39, 300 Blackout, .30 Carbine, etc are allowed on these ranges.

Paper and steel targets only. No trash, balloons, water bottles, etc are permitted. Paper targets are to be posted on CF&G provided target frames. Only steel targets provided by CF&G are allowed. Target frames are not to be moved.

Please be courteous. Remove your targets from backboards and put trash in the trash cans provided.

Calibers excluded from these bays can be shot at the rifle range.

Shotgun Range

This range is for use by CF&G members only - no guests! Hours are 8 am until dusk.

The north bay is for shotguns with SHOT ONLY, NO SLUGS. Paper target are to be placed on existing target frames. Target frames are not to be moved. Shooting of improvised trash targets such as water bottles and jugs is not permitted. ALL shot sizes are allowed, including buckshot.

Muzzles are to be pointed downrange at all times, and handling of firearms behind the firing line is prohibited. All shooting is to be from the concrete pad under the range cover.

Please be courteous. Remove your targets and place trash and fired hulls in the provided trash can.

Slugs can be shot at the RIFLE RANGE.
